Pawansuth Exim

Pawansuth Exim, based in West Bengal, India, specializes in manufacturing and exporting Dairy Equipment. Our comprehensive range of milk processing equipment includes bulk milk coolers, pasteurizers, homogenizers, heat exchangers, packaging machines, cold rooms, and milk vending machines.

With a wealth of experience in the dairy industry, our owner has been spearheading the supply of top-notch equipment for several years. Notably, our reach extends beyond borders, having provided equipment to nations across Africa such as Zambia, Uganda, Rwanda, and Burundi.

At Pawansuth Exim, our commitment lies in delivering quality equipment at the most competitive prices. As a manufacturer and exporter, we prioritize customer satisfaction and strive to meet the diverse needs of our clientele with efficiency and excellence.
